

# Certified Accounting Technician (CAT)

(N/344/3/0513)(MQA/PA 12392)

#### **Programme Overview**

The Certified Accounting Technician is a stand-alone foundation-level qualification under the Association of Chartered Certified Accountants (ACCA). Taking the CAT qualification is one of the fastest way to obtain the ACCA professional qualification.

The CAT accounting course allows you to start your pursuit in ACCA right after you have completed SPM or O-Level. As a qualification on its own, it preps you for a supporting role in accounting in the workforce, equipping you with a strong foundation in financial and management accounting so that you can solve basic accounting problems.

Completing this qualification will allow you to progress to ACCA, which is a prestigious professional accounting qualification respected by many employers in the accounting industry.
